PERSONAL STATEMENT PROFILE

I am a Year 10 University High student passionate about exploring a career in sustainable design and architecture through work experience with Six Degrees. I am currently enjoying studying *Visual Communication*, *New Urbanism* and VCE level *Studio Art*, all with excellent results. I am an enthusiastic and committed plastic modeller since I was young, and that was ignited by my interest in architecture and design.

EDUCATION AND EMPLOYMENT HISTORY

University High School — 2013—present

I have a high level of academic achievement with averages of: 95% in *German*, 90% in *Science*, 80% in *Mathematics*, 80% in *New Urbanism* and 75% in *Visual Communication*. In 2016 I participated in a three week Uni High exchange with Gymnasium Grootmoor in Hamburg, Germany, where I stayed with a German family, honed my German language and developed my communication skills.

Brunswick South West Primary School — 2005—2012

I was voted onto the Student Representative Council in 2010 by my peers.

Teachers assistant, Deutsche Schule Melbourne — April 2015—June 2015

Assisting children with numeracy activities, marking assessments, one on one assistance

Roadie for Simon Kerr's Music for a Warming World - 2016 (casual)

Assisting with set up and packing up of projector, lights, screen and sound gear for the Music for a Warming World Show which combines live music, climate activism and projected visual images.

Sound Desk Engineer, St John Chrysostom Anglican Church, Brunswick West - 2014—present (volunteer, once a fortnight)

Adjusting sound levels throughout different aspects (spoken word, congregational participation, music, quiet) of the service.

SKILLS AND ATTRIBUTES

Excellent numeracy, literacy and problem-solving abilities:

High skills and achievement in scientific and humanities oriented thinking and ability to apply knowledge to solve practical problems

Self-motivated and reliable:

Mature and trustworthy with tasks that require dedication and attention to detail

Adaptable, flexible and good at teamwork:

Able to communicate knowledge and show leadership in teamwork situations or work individually to complete tasks and solve problems

HOBBIES

Martial arts:

Having achieved a brown belt in Aikido after 7 years of practice, I moved on to judo at the same dojo where I am currently a green belt. I practice three times a week.

Plastic modelling:

After years of creative lego modelling as a child, I moved on to Gundam (Japanese anime figures) modelling as a teenager and have built dozens of models.

Other:

I also enjoy many styles of music, Japanese anime movies and series, and travel (especially in Germany).
